A Quality Product of 
HOMES

From ordinary to *extraordinary*,
our furniture's *quality* sets the story!

Abodekraft is the all-new initiative by the Raunak Group to create an immersive home solution furniture brand under its new home improvement and ultra modern lifestyle retail brand - Raunak Homes.

A three generation family-run organisation has chosen to chart its growth path by creating a brand to achieve urbanised, utility based and world-class furniture at affordable prices for the growing Indian's aspirations.

Raunak Homes is our endeavour to bring about the revolution into organising an industry which has till date been localised, unbranded and unstandardised. The trust and consistency in our product offerings is the welcome change we aspire to bring to the customer's lifestyle through this new-age and progressive design based brand's offerings while retaining our core ethics and customer trust in us for 25+ years!
